## House Specials

We are always searching for the best drinks. Here are a few of our favourites. Some you will know, others you may not. Hopefully you will enjoy all of them!

### Chase Distillery

Vodka and Gin from the founder of Tyrrells Crisps! Using the same raw ingredient of potatoes Matthew Chase is now producing Vodka in small batches from an artisan distillery in Herefordshire. In 2008 it was awarded the accolade of the World's Best Vodka. More recently in 2010 he introduced a Gin produced from their local apples.

Vodka: 25ml £4.50 (V&T £5.70) 50ml £9.00 (V&T £10.20)  
Gin: 25ml £4.50 (G&T £5.70) 50ml £9.00 (G&T £10.20)

### Hendricks Gin

Hendrick's is distilled in small batches in the seaside village of Girvan, Scotland. Its unusual flavour is derived from the infusion of rose and cucumber. Served from containers resembling traditional medicine bottles (reflecting the historically medical use of gin to prevent malaria), this is a unique but delightful tippie.

25ml £4.60 (G&T £5.60) 50ml £7.00 (G&T £8.00)

### Church End

Church End Brewery is based just a few miles away in Shustoke, Warwickshire. Its goal was to be a 'hands on' craft brewery making a wide range of cask conditioned beers. They produce a range of 40 different beers of which we are continually changing our selection to serve. £3.40 pint

### Luscombe Organics

The superb, but little known, Luscombe Organics is a small producer from Devon. Winners of numerous awards, their lemonades, ginger beers and juices are all made in small batches on their farm with ingredients sourced from the best groves and orchards of the world.

Our selection of their drinks include a range of sparkling flavours (Sicilian & Raspberry Lemonade, Hot Ginger Beer, St. Clemments Orange and Wild Elderflower) and a couple of still choices (Devon Apple Juice and Apple and Pear Juice). All drinks are £3.20.

### A few others worth a try

Ledaig Whisky: A fantastic, light and fresh whisky with gentle wood smoked flavours. This is one of our favourites. £4.20

Amarone Grappa: Smooth and flavour filled, this is one to convince the uninitiated or convert the cynics to what grappa should really taste like. £4.00

Mascarada Amaretto: This superior Amaretto is a cut above the rest. Unlike other Amarettos, which are usually made from an apricot kernel concentrate, this one is made by re-distilling spirit with real crushed almonds. £5.50

Pineau des Charentes: This is a regional French aperitif made from a blend of lightly-fermented grape must and Cognac eau-de-vie. We sell Chateau Beaulon at £4.50
