

## Hampton Manor accommodation

12 individually designed rooms located in the original manor house

Fitted throughout with the Louis Collection of furniture by award winning designer, John Reeves this stylish finish sensitively blends with the original features of each room.

The bathrooms, each with their own unique layout, have been created by award winning designer Sarah Ireland, who has used a combination of large ceramic tiles, glass big baths, monsoon showers and tasteful mosaics.

All our rooms have a working desk space, bath robes, complimentary spa toiletries, wireless internet, fridge, telephone and tea and coffee making facilities. All first floor rooms are air-conditioned ensuring you have complete control over your room temperature in the summer and winter.
